

**Community Foundation**  
of Southern Indiana  
*Ensuring generosity. Forever.*

The Community Foundation of Southern Indiana (CFSI) is the only area foundation built by the generosity of thousands of neighbors in Clark, Floyd, and Harrison counties.

We are dedicated to serving our communities by holding funds in trust and giving grants back to charities and projects that benefit all ages. That's how we connect caring individuals, families, organizations, and businesses with needs right where we live and work.

Donating in memory or honor of someone special is a thoughtful gesture that will help us, together, lay a foundation that will last for generations.

**Thank you for being a partner with us for the common good... now and forever.**
