Saturday, May 14   Concert Band King's Island Music Competition

With the exception of solo/ensemble contest and King's Island, **participation in all concerts for your group is mandatory.** Please approach your director at least one month in advance regarding any conflict with the dates above. Since you have received these dates **well in advance**, we anticipate very few problems.
Please be aware that on concert nights your child will be staying for the entirety of the program. When they are not performing on stage, they will be sitting in the audience to listen to the other groups perform. Do not hesitate to call if you have any questions: **542-8501, ext. 3164.**

We look forward to seeing you at the concerts!!!

(**Please sign, detach, and return bottom portion**)

        I/we have read the **classroom expectations** for band and understand the behavior and responsibility that is expected during band class for the 2015-16 school year. I/we have also taken note of all of the **performance dates** and understand that attendance at these events is a required component of the class (i.e., part of their grade.)
