#### **DIRECTOR'S REPORT:**

Be on time for band camp! No driving on practice field; road between band room and tennis courts will be closed to traffic until November. Need to keep our kids safe. Bring plenty of food, big jug of water, sunscreen and hat. Wear sections shorts and white shirt. Spend more time marching in the morning and move inside around 1 or 2 pm. First two movements last four minutes.

Uniform drawings have been finalized. Fred J. Miller, Inc. and Stanbury Uniforms will each be sending a sample. The Uniform Committee will examine each uniform. The lead field commander will wear the new uniform during the 2017 marching season. Still working on show shirt design. Perry Warren (welder) will be helping Mr. Jump from the Theater Dept. build props. Kevin Knottke will create the new medallion for Field Commander stand.

A new Administrative Assistant has been hired for the Performing Arts Department. "Assistant Band Director" will be Ben Gutman. Continue emailing Dr. Willman to advocate hiring a new teacher to be Assistant Director.
