

NEW BUSINESS:

● **Committees** – (1) Pit Crew. Starting to get more people interested. Need a truck/5th wheel to pull the white trailer. Must be insured through the school. Mark Meers is the insurance liaison. Various repairs need to be done. Found someone to inspect the semi for free. (2) Uniforms. Suggested that chaperones help with uniforms. Julia Derloshon and Maggie Walker are currently helping with uniforms. Karen Bassett will also help. (3) Chaperones. Please contact Sean Tabor at president@floydcentralband.org if you are interested in becoming a chaperone. (4) Drivers. Need volunteers for truck drivers. Found a semi-driver. All crew members get into competitions for free (except at Lucas Oil as there are a limited number of passes). Insurance through the school is carried over from year-to-year with a valid commercial driver's license.

● **Invitational** – September 23, 2017. Go to <http://www.signupgenius.com/go/508094EAFAB2AA1FA7-2017> to sign up! Chair openings: Parking & Traffic Control (2), Water Stations (2), Admissions, Stadium Gate Monitors, Programs and Peoples' Choice, Video DVD and Judges' Comments/Runners and Judges Assistant Coordinator. We need shadows for Hospitality and Trophies to take over in 2018. We also need someone to shadow the current Concessions chair to take over in 2019. Last year we hosted 24 bands; combined with visitors, there were over 6,000 people in attendance. Questions? Contact Mike Sobieski, Vice President, at michael.sobieski@louisville.edu. An Invitational tab will be added to the band website.

● **Band Yard Sale** – tentative date: August 12, 2017. Kids can help in shifts to set up, unload cars as items are delivered and sell food. Brandy Gibson would provide a community service letter to those who participate. Could the pep band play while people shop? Need 25 new signs. Suggested that David Fonseca may be able to help with new signs as he obtained a good deal on signs for the guard.

● **Frozen Treat Coordinator** needed for band camp week (July 17 – 21).

DIRECTOR'S REPORT:

Welcome, Alec Branstetter, our new student teacher! Alec recently graduated from Indiana State with a Music Education degree. He will be us through the semester.

Artist is currently designing the show shirt. We have 40-42 color guard. Drawings for props are being finalized. The pit crew will set up the props; band members and guard will remove them from the field. Sideline banners will be staggered throughout the field and will possibly change color. There will be a tarp in the lower left corner with smoke and flames. Guard will start out with gargoyle wings and "ascend" to bird wings. Elevated stage in upper, right corner with three ramps. With Ben Lee arranging our music, it will be new to the judges and spectators. Avon and Carmel will not be competing at the state level this year. Several Class B bands have been promoted to Class A. Considering going to the Paoli Jr. & Sr. High School Invitational now that we are using stationary props.
