

CONCERT ATTIRE

Be sure to start planning your attire before concert season is upon us. It is important that the band's dress and presentation be as elegant and professional as its musical performances. Our goal is a unified concert impression in which no one single person sticks out because of how he or she is dressed. We would appreciate all members of the Floyd Central bands follow the guidelines below.

BOYS:

Black tuxedo coat and pants with white tuxedo shirt and black bow tie, black dress shoes with black socks; cummerbund is optional. A dressy black suit is acceptable as long as you wear a tuxedo shirt and black bow tie. Reasonably priced tuxedos and suits can usually be purchased at JC Penney, Stein Mart and Burlington. Sam Myers also sells previously rented tuxedo jackets, pants, shirts and bow ties at their main showroom location at 3400 Bashford Avenue Court, Louisville, KY (502-459-4885 or 800-626-6305) at deeply discounted prices. Mention you are from Floyd Central.

GIRLS:

To order the formal, long black dress, go to Cousin's Formal Wear at www.concertattire.com.

Dress – Stephanie Sweetheart neckline, style #2503. (Type 2503 in search box and it will go right to it.) Please note that all dresses and skirts by Cousin's Concert Attire come unhemmed. All dresses will need to be altered upon receipt. Regular length fits 5'11" and below. Dress is machine washable. Sizing chart available on website.

If you prefer to purchase a dress on your own, please follow these guidelines: black dress, ankle length or longer. The dress should be an all-black material (velvet, rayon, cotton, polyester or satin are all suitable) with a moderate neckline. No other colors should be included on the dress or material design. Any sleeve length is acceptable but thin straps should be covered with a black shrug, jacket or dressy cardigan. Side or front slits are inappropriate; however, back slits are permitted if they do not exceed 10" from the floor.

Shoes should be black and dressy. Stockings must also be black. Jewelry should be moderate and not flashy.

SHOPPING TIPS: Remember to buy big in the beginning and leave room to grow. The tuxedos and dresses do not have to be of outstanding quality. They will be worn 4-5 times per year.

SELLING USED CONCERT ATTIRE: If your child outgrows his/her concert attire there will be a spot on the bulletin board in the band room for anyone who wants to post a "For Sale" notice.
