

2018 PROACTIVE PLANNING:

- **Marching Band Kick-Off Meeting (May 22)** – All parents need to come to the kick-off not just new band parents/guardians. Paperwork, such as medical form and contact information for emails from MyMusicOffice, need to be completed at that time. Tables will be set up for parents to become familiar with the various aspects of marching band, e.g., items needed for band camp, explain rotating list for competition meal assignments. Volunteering needs to be required as we need more people to make the band organization the best it can be to enable students to be the best they can be. Committees for the next school year can be established.
- **Band Banquet (May 25)** – There will be a charge for senior tables. Help is needed with decorations only as the menu is set. It was suggested that fees for the senior banner and senior table be divided among the students' freshman, sophomore and junior years.
- **Band Fees** – It was suggested that band fees be staggered instead of one lump-sum paid in May. A \$25 uniform care fee will be added to the band fee. Suggested that \$25 be added to the band fee and invested each year to create an on-going uniform replacement fund.
- **Marketing** – Wendy would like the marketing focus to be year round instead of one event at a time. Corporate donations could support the program all year. Marketing program should roll out in the spring for businesses and corporations to Band Together with Floyd Central.
- **Student Representatives** – All is well.

DIRECTOR'S REPORT: Mr. Yankey was at the Pep Band performance.

MEETING ADJOURNED: Karen Bassett 2nd: Dave Coulson

IMPORTANT DATES:
