

Floyd Central Highlander Band

Concert Attire 2024

The purpose of concert attire is to appear in a uniform, professional manner at all concerts and performances. All students are expected to acquire the appropriate concert attire. We want our students looking and feeling their best during a performance! If a student can not acquire their concert attire on their own, please contact the directors. Our uniform committee will make sure each student has what they need.

All students must be dressed in “professional concert black” for concert performances. There are three options to achieve this look:

Option 1:

- Black suit, black button-down shirt, long black tie
- Black dress shoes, long black socks

Option 2:

- Black concert dress
- Black dress shoes

Band members who choose this option must be sized and order the concert dress through our band boosters at a cost of \$70.

Option 3:

- Black suit, black shirt
- Black dress shoes

Band members who may otherwise wear the concert dress but would feel more comfortable performing on their instrument in a suit may select this option.

All band members should be well-groomed for all performances. Additions to the concert attire (jewelry, pins, cufflinks, etc.) may be worn but must be subtle and not create a distraction. Additions to the concert attire that are deemed a distraction or not in keeping with the uniform are not allowed.
